

Notice to readmitting students attending Divine Word University in 2025 (Madang Campus)

Congratulations to all students who are accepted to readmit for Semester 1 studies at Divine Word University (DWU) in 2025. The **Readmission Acceptance List for the 2025 academic year** can be viewed or downloaded through this posting on the DWU official website.

The electronic copy of the readmission acceptance letter and registration documents have been sent to the student's nominated email address and the hardcopy has been posted to the student's nominated postal address.

Students are asked to read thoroughly the contents of your letter and take heed of the information, fees and the expected dates to register. Readmitting students who do not find your names on the list are asked to check your nominated email address for more information on your readmission application status or contact the Office of the Registrar via email mkapun@dwu.ac.pg to know your status.

The student finance team will be sending school fee pro forma invoices to readmitting students via your nominated email address. If you are yet to receive this email, you can email your request to the student finance team on tuitionfees@dwu.ac.pg.

Accepted readmitting students who have not received your readmission acceptance letter can also contact Ms. Marie Kapun via her email address mkapun@dwu.ac.pg as all information on registration, required fees, etc. are contained in the readmission acceptance letter that must be complied with to ensure successful reenrolment into your program.
