Volume 37, May 2022

The *Contemporary PNG Studies: DWU Research Journal* is published twice a year in May and November. The journal provides the means for DWU staff, students and associated academics to publish research findings, personal perspectives, reports of projects or developments and reviews of recent books on Papua New Guinea. The journal promotes investigations of practice and theory in fields covered by faculties and activities of Divine Word University at all its campuses.

Full-text articles from volumes of the *Contemporary PNG Studies: DWU Research Journal* can be accessed at <http://www.dwu.ac.pg>. Using the pull-down menus, go from Research on the homepage to Research Journal. There you can locate the articles.
